

dolphin logo

Pebble's latest logo concept - an intricate design that portrays the elegance and sophistication of such a humble and intelligent creature, yet keeping in touch with its playful nature.

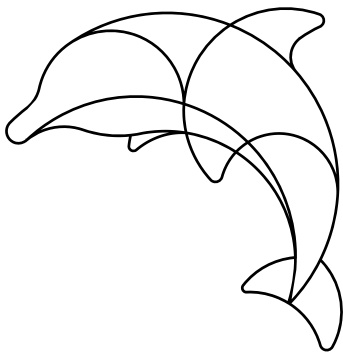

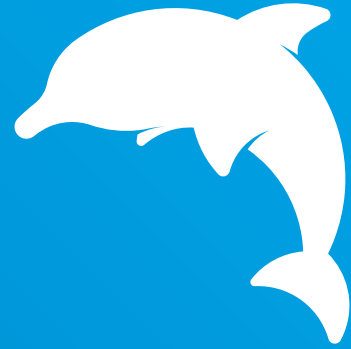

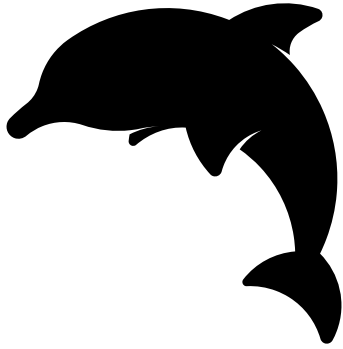

the circle of life

made up entirely of intersecting circles and based on the golden ratio - circles bring the dolphin logo to life.

flat versions

flat one colour options, black and white: full flat, flat with line work cut outs and wire frame.

perfectly scalable

every Pebble logo is intricately created in high resolution vector format - for full scalability and optimum quality. This ensures that every logo displays perfectly at any size on all digital & printed material.
